CRAFTING SCOTTISH QUALITY SINCE 1891

Largely unchanged since its inception, beautiful in its essential simplicity yet endlessly challenging, golf is perhaps unlike any other sport. It is a game that combines technique, skill and concentration.

Since our beginnings in 1891, when the very first piece of knitwear came off our knitting frames in Lanark, Scotland, Glenmuir has committed itself to creating golfwear in much the same way, with impeccable care, skill and dedication to the craft.

Our inspiration, both then and today, is to instil each piece of our expertly crafted golfwear with something of the essence of golf; traditional but forward-thinking, perfectly balanced, elegant and of course, Scottish to the core.

To this day, Glenmuir remains a family-run business dedicated to producing the finest golfwear. We are proud to say that our clothing has been worn by champions at Augusta, winners of the Claret Jug, gladiators of the Ryder Cup and on the world's leading courses; but we are equally proud to see Glenmuir clothing at local clubs, dressing beginners and professionals alike, of every level and generation, all coming together for the love of the game.

That is the spirit of golf.

That is the spirit of Glenmuir.
